

An ancient astronomer predicted that when Good Friday falls on St. George's day, Easter on St. Mark's day, and Corpus Christi on St. John's day, this poor unprotected world of ours would be knocked into smithereens by an ill-regulated comet. This remarkable conjunction takes place this year? The insurance companies, in the absence of further proof, have not felt justified in raising the rates as yet.

This is what the *Philadelphia Times* says about the local newspaper:

"The New Year is a good time to consider the generally overlooked claims of the local newspaper. It is the most useful and least compensated and appreciated of all the agencies which stamp the impress of progress upon villages and inland cities. Without the local newspaper, local towns are, as a rule, thrifless and tend to decay.

"It is common for small great men to speak with contempt of the local newspaper. In that they imitate the critics of greater journals which offend by mainly criticizing; but the village newspaper makes more great men of less material—more bricks without mortar—than any other factor in politics, and it is the one ladder on which men climb to fame.

DIED.—Mrs. Sarah Burr, on Friday morning, the 12th inst., at her home on Brown's Mountain, aged 84 years.

—Dr. J. B. Lockridge, of Edray, was in to see us Tuesday.

—Enos Martin, who was tried in Alleghany county, Va., recently, charged with murdering his child, was found guilty of murder in the second degree and sentenced to six years in the Penitentiary at Richmond. A bill of exceptions has been filed by Gen. Skeen to appeal it from the County Court to the Circuit Court.

—We have received a copy of a little pamphlet of 80 pages entitled "Tobacco: How to Grow and Cure it," which gives a vast information to the tobacco growers. As we are out of the business of raising tobacco, we will with pleasure present anyone of our patrons who grows the weed, with the pamphlet, and advise others to send to Southern Fertilizing Company, Richmond, Va., and receive one of those helps in producing the much used weed.

—The Highland Recorder says a man claiming to be "a dealer in blooded stock from Ohio," and later on as a detective passed through that county recently in pursuit of the horse thieves who passed through this county, and at top of Alleghany produced papers showing his "authority" and claimed a fine horse which the thieves had traded to Mr. Collins, as stolen property. This same man will turn out to be a worse thief than the others.

High Water, and no mail on Saturday last—all on account of there being no bridge across Knapp's creek. I understand there will be steps taken at next County Court for building a bridge across Knapp's creek near H. P. McGlaughlin's. Brethen, think seriously over the matter and give us a bridge so we can get to the county seat any time.

We will have another railroad some of these days; so let us have good roads and bridges that it can get in.

Some of our roads are in a very bad condition and should be better worked this year than last.

The lumbermen have their logs mostly ready to drive down Greenbrier river.

Prof. J. W. Fitz and C. L. Cook's schools are flourishing.

Our Delegate.

When we arrived home we found a communication here written from Academy favoring a Webster county man for House of Delegates. We could agree with him that Webster county is entitled to the de-

Green Bank Convention.

Pursuant to call of the Democratic Executive Committee the convention met on the 14th inst., and S. B. Hannah was elected Chairman and C. O. Arbogast, Secretary. On motion the chair appointed Wm. F. Arbogast, Dr. C. L. Austin, R. B. Kerr and Wm. Sheets as a committee to suggest the names of ten delegates to represent the district in the convention to be held at Huntersville Aug. 20th, who after consultation recommended the following named gentlemen:

Dr. J. P. Moonan, J. W. Riley, N. B. Arbogast, O. F. Moore, Jessie Patterson, Claiborne Ashford, C. A. Lightner, Chas. Pritchard, Wm. B. Hudson and J. P. Wooddell. On motion the Chairman, Secretary and Committee were added to the delegation and Daniel Wilfong and Wm. Cassell were appointed alternates.

On motion it was decided that any one or any portion of the delegates in attendance at the convention are authorized to cast such vote as the district is entitled in joint convention.

On motion the delegates were instructed to request that each district in this county shall be entitled to a vote in joint convention in proportion to their Democratic strength.

On motion Abornard
